

A professional studio setup with various lighting equipment, a chair, and a microphone stand. The scene is dimly lit with warm, orange and red tones. On the left, there is a large array of small, glowing yellow lights. In the center, a modern-style chair is positioned. To the right, a microphone is mounted on a stand. A ladder is visible in the background, and a small table with a candle is also present. The overall atmosphere is that of a high-quality production environment.
